

"Identity theft has become the third certainty in life, right behind death and taxes."

—Adam Levin, Author of the book *Swiped: What Identity Thieves Do and How to Stop Them*, is a longtime advocate and identity fraud expert, former director of the New Jersey Division of Consumer Affairs, and Chairman and co-founder of Credit.com.

Every two seconds there's a new victim of identity fraud¹. Protect yourself with a personalized service that provides: proactive education, risk-reduction strategies, identity theft protection, privacy management, and unlimited 24/7 resolution support to help fight identity theft and fraud. Add comprehensive fraud, credit, Internet and card monitoring services for best protection and the first line of defense in the fight against identity fraud. Choose the level of services that fits your needs and budget.

The Facts on Identity Theft¹:

- More than 12 Million people experience Identity Theft every year.
- Consumers suffer total fraud losses of \$16 Billion.
- Roughly 1 in 7 data breach victims experience fraud.
- Total time spent to resolve cases averaged more than 11 hours per victim.

Recovery — LifeStages[®] Comprehensive Identity Management Services²

Proactive Services

When your personal data is compromised we can help you take preventative measures, such as placing fraud alerts, to help avoid identity theft.

Resolution Services

Recover from account takeover or identity theft with unlimited assistance to fix issues, handle notifications and provide credit and fraud monitoring for victims.

Document Replacement Services

Replace lost, stolen or destroyed documents and identification and get help notifying government agencies and providers.

Child Identity Theft Support

Invest in your children's future by asking us to help protect their identities now, before they're the victims of fraud or theft.

Tax Fraud Support

Cut through taxing red tape and secure your refund with our expert guidance after crooks steal your social security number and file in your name.

Financial Fraud Support

Reach out to us to protect your current and future credit from unauthorized account activity, account takeovers, and financial accounts opened in your name.

Email Compromise Assist

Thwart, detect and recover from email hacking. Plus, get help managing your identity and privacy in your online communications.

Phish Assist

Sidestep phishing scams with our detection and recovery support when crooks try to steal your personal data, online usernames, passwords and credit card data.

Military Identity Theft Support

Protect your good name when you're defending our country. We'll work with you or an authorized relative to place an active-duty military fraud alert.

Medical Identity Theft Support

If criminals use your personal data to commit medical fraud, we help you heal your identity and get back on your feet.

Travel Identity Theft Support

Contact a fraud specialist to help replace your lost or stolen IDs, passports, visas and other documents no matter where you are on the globe.

Estate Identity Theft Support

Keep the identities of deceased family members safe with help from our fraud experts, so fraud doesn't come back to haunt you.

Employment Identity Theft Support

Call us to give pink slips to criminals who build their identities, careers, and Social Security credit using your personal information.

Disaster Recovery

Recover following a natural disaster with ID and document replacement, access to financial institutions and communicating with family, friends or providers.

Social Media Compromise Assist

Get smart about managing your family's reputation on social networks.

Assisted Living Fraud Support

Lean on us for guidance in power of attorney and legal guardianship matters to assist with identity management and resolving fraudulent misuse.

Monitoring — FraudScout® Comprehensive Monitoring Services²

FraudScout from IDT911 offers complete detective and restorative identity management protection. We continually scour public and private databases, and the Internet for the possible misuse of your identity and credit data.

IDT911 monitors:

Financials, Cyber/Black Market, SSN trace, Change of Address, Court Records, and one-bureau monitoring through TransUnion.

When FraudScout detects activity in any of these areas, you automatically receive an email alert indicating potential fraud or misuse. Members can login to check the details of the alert.
